Experience

GPI India

August 2024 – Present

Software Developer

Bangalore, India

- Optimized the reporting infrastructure and led the end-to-end implementation of **DevExpress Reporting**, replacing Excel based reports used for customer **invoice and quotation** generation, reducing report generation time by **73%** and significantly enhancing system performance, scalability, and user experience.
- Developed a **bulk-copy feature** that reduced **module management time** by **55%**, streamlining operational workflows.
- Authored a **PRD** for integrating **OpenAI APIs** into TankDesign to **parse customer requirements** and **auto generate project configurations**. Created **UI mockups** to illustrate user flow and functionality.

GPI India

January 2024 – July 2024

Software Developer Intern

Bangalore, India

- Enhanced platform UI and managed product development cycles, streamlining task creation and management processes.
- Designed and developed a self-serve FAQ page to educate users and reduce repetitive support tickets for common issues.

Mailmodo

June 2023 – January 2024

Product Management Intern

Remote

- Developed **PRDs** to streamline integration between **5+** form builder tools and Mailmodo, facilitating form response import via webhooks.
- Elevated product documentation health score by **2-3%** across **250+** **articles**, enhancing search result effectiveness.
- Produced **15+** user support articles elucidating **product functionalities** and **newly-introduced features**, enhancing user understanding and engagement.
- Managed and created **5+** form blocks for AMP emails and **25+** **pre-built journeys** for email automation.
- Created a **competitive feature comparison** document to aid customer onboarding and improve user guidance.

Troopod

December 2022 – February 2023

Technical Product Strategy Intern

Remote

- Implemented product integration on a sample Shopify store and conducted cross-device testing.
- Led successful product launch** with optimized landing page development and presented **product strategy proposals** to senior management, driving stakeholder buy-in.
- Compiled a **database of 60+** potential D2C brands, conducted **market research**, and formulated competitive **pricing and positioning strategies** to optimize the sales funnel and gain market advantage.

Education

Manipal Institute of Technology, Manipal, Karnataka

2020 – 2024

Bachelor of Technology, Electronics and Communication Engineering

CGPA: 7.64

Technical Skills

Languages: JavaScript, Python, C Sharp, Angular Js, SQL (MySQL), HTML, CSS, Bootstrap, API's

Tools: Linear, Confluence, GitHub, Netlify, Figma, Google Analytics, Whimsical, Sheets, Azure DevOps, Google Search Console

Projects

WCA Competition Tracker

- Developed a chrome extension to solve fragmented WCA competition discovery, enabling speedcubers to find events **5x** faster through advanced filtering (distance, event type, duration). Achieved **200+** installs, **1300+** impressions, a **5/5** rating, and active users across **20+ countries**.

Speedcubing Educational Platform

- Developed a responsive web application for online Rubik's cube coaching classes. Implemented JavaScript based form validation and integrated Firebase for secure data collection and lead management.
- Optimized the website for SEO, which drove **25+ organic bookings** through google search and generated over **\$1000+** in revenue.

Leadership / Extracurricular

HULT Prize MAHE

Sep 2022 – Mar 2023

Head of Corporate Relations

Manipal, India

- Led a chapter of 15+ members to organize the largest social entrepreneurship competition on campus.
- Built strategic partnerships, secured sponsorships, and onboarded 5 judges and 2 speakers to provide guidance and mentorship for participating teams.

E-Cell MIT

Aug 2021 – Oct 2022

Startup Development Executive

Manipal, India

- Assisted 10+ student startups with idea validation and managed complex, cross-domain projects from start to finish.
- Founding member of the inaugural Manipal Entrepreneurship Summit, E-cell MIT's flagship event.
